P. S. Lizmark was interviewed on how he got his name, and he said he picked it out from a history book, and named himself after the submarine "Bismark" (I am not kidding) so he could be as "indestructable as a submarine." - * Black Shadow junior has won 41 masks (mostly little-known guys out in the sticks) and 8 hairs. The guy "Askari el Gringo" who won his WWA title then lost his mask and hair to Black Shadow is from Guatemala, and Askari is his last name, but I don't have his first name yet.
- * This week's issue of Lucha Libre Mundial has this headline in an article on el Perro Aguayo: "Enorme Figura, Pero Un Luchador Pequeno!"
